an open day just for you

At Inclusion Training, we don't ask you to come to a crowded information session. Instead, just like our personalised learning plans, we'll design an open day that meets your needs. This way you get to experience a real class, just like our current students do.

Call us and arrange a time to:

- Have a one-on-one chat with our Trainers
- Visit a class for a day and learn about literacy, numeracy and work readiness
- Learn more about Inclusion Training and what we can do for you

what is inclusion training?

Inclusion Training is an innovative registered training organisation that values an individual's choices and encourages decision making to maintain connections within the community in preparation for adult life.

Inclusion Training has two high quality training locations based in Malvern East in Melbourne's eastern suburbs and at Sunshine in Melbourne's west.

We offer accredited and pre-accredited courses that give students a recognised qualification. Workplace opportunities are created to actively engage students in the community and to build self-confidence, social networks and life skills.
